CONTRA COSTA COUNTY SUPERIOR COURT

ATTACHMENT 3d 4 TO PETITION FOR LETTERS
OF SPECIAL ADMINISTRATION

The Petitioner respectfully requests that the court grant Letters of Special Administration to the Petitioner for the purpose of endorsing certain patent applications and stock documentation in connection with the decedent's business.

The Petitioner is the decedent's surviving spouse, and is the nominated Executor and sole beneficiary under the decedent's Will. The decedent was a research scientist, employed by Sangamo BioSciences, Inc., in Richmond, California. In his capacity as employee, the decedent developed a number of inventions, which are the intellectual property of his employer. In order to apply for patents for these inventions, the Petitioner, as personal representative of the decedent, must execute certain documentation. The patent applications must be filed immediately to avoid the loss of any such intellectual property by Sangamo BioSciences, Inc.

The Petitioner has also been advised by the Board of Directors of Sangamo BioSciences, Inc. that she, as personal representative of the decedent, must execute as soon as possible certain stock certificates and other documentation, necessary to transfer the stocks to her name as personal representative, in order for her to exercise her rights as shareholder in the company. These actions are required immediately, and are necessary and proper under the circumstances.

The Petitioner, as sole beneficiary, will be filing a Spousal Property Petition to effect the transfer of the decedent's assets to her pursuant to the terms of the decedent's Will. In the interim, her immediate appointment as Special Administrator is necessary in order to orderly administer and to avoid losses by the estate.
